

METZELER

Welcome to The Metzeler TT Village at Isle of Man TT 2025

The Isle of Man TT is fast approaching, and **Metzeler** are excited to welcome you to the **Metzeler TT Village** - a **luxurious glamping experience** in partnership with **Duke Events** and **Hotel Bell Tents**. Perfectly located just a short stroll from the legendary racing action at Bray Hill, it's the ideal place to stay at the Isle of Man TT.

To help you get ready for your stay, here's everything you need to know, from check-in details to on-site facilities and helpful tips to make your weekend as smooth and enjoyable as possible.

Please share this info with all members of your group

Keeping Warm & Cosy

Your tent is fully equipped for comfort:

- 13.5 tog duvet
- Comfy pillows, cotton sheets, duvet covers & pillowcases
- A large bath towel per person

Top tip: Pack warm pyjamas, cosy clothes, and perhaps a blanket or throw **nights can get chilly.**

Security

- On-site staff available 24/7
- **Wristbands must be worn at all times** – staff may ask to see them
- Hotel Bell Tents is **not responsible for lost or stolen items** – we recommend locking valuables in your car/bike luggage boxes or leaving them at home
- Key padlocks can be purchased at Reception

Site Rules & Safety

To keep everyone safe and the site pleasant for all:

-  **No glass:** Glass containers are not allowed. You'll need to decant drinks into approved containers at the gate
-  **No BBQs** of any kind: Gas, charcoal, disposable or portable – these are strictly prohibited
-  **No smoking** on-site except in the **designated smoking area**

Looking After the Environment

Hotel Bell Tents are passionate about sustainability and ask you to help us minimise our environmental impact:

- We use **biodegradable cups, plates, and glasses** wherever possible
- Please bring a **reusable water bottle** – free refills available at drinking water stations within the clubhouse
- Complimentary **eye masks and earplugs** are available from reception
- We're proud to be:
 - **Planting 1 tree per staff member** this season (200+ trees)
 - **Offsetting all travel-related carbon** from our management team
